
M E M O R A N D U M

TO: West Lafayette Board of Public Works & Safety

FROM: David M. Buck, P.E.
City Engineer

DATE: March 14, 2011

**SUBJECT: INDIANA AMERICAN WATER – FIRE HYDRANT ADDITION
CITY OF WEST LAFAYETTE**

I hereby recommend that the attached list of fire hydrants in Arbor Chase By the Lakes be accepted and approved by the West Lafayette Board of Public Works & Safety:

Item: Hydrant #'s 948-953 bringing the total of the City's hydrants from 409 to 415. (location list attached).

These hydrants and locations were recommended by the fire chief and engineering department during the subdivision approval process. The hydrants have been installed by the developer in accordance with Indiana American Water (IAW) construction guidelines and standards. IAW has accepted and activated these hydrants for use.

RE: Addition of Arbor Chase By the Lakes Fire Hydrants

David,

Indiana American Water has accepted the water mains and fire hydrants installed in Arbor Chase by the Lakes, which is located within the limits of the City of West Lafayette. Six (6) fire hydrants were added in this latest section bringing the total number of City Fire Hydrant from 409 to 415. Billing of 415 fire hydrants will be effective on your March 2011 bill. Please feel free to contact me with any questions or concerns.
